

# Acuerdo de licencia de usuario

TOSHIBA MEMORY CORPORATION

LE ROGAMOS QUE LEA ATENTAMENTE LOS TÉRMINOS Y CONDICIONES EXPUESTOS A CONTINUACIÓN ANTES DE INSTALAR Y UTILIZAR ESTE SOFTWARE (EN ADELANTE, EL “SOFTWARE”). SI USTED NO ESTÁ DE ACUERDO CON LOS TÉRMINOS Y CONDICIONES DEL PRESENTE ACUERDO DE LICENCIA DE USUARIO FINAL (EN ADELANTE, EL “ACUERDO”), NO INSTALE NI UTILICE EL SOFTWARE.

## 1. Licencia.

De acuerdo a los términos del presente Acuerdo, TOSHIBA MEMORY CORPORATION (en adelante “TOSHIBA”) le concede a usted una licencia no exclusiva, intransferible y sin regalías de uso del Software solamente si lo destina a discos de estado sólido (SSD) de TOSHIBA o lo utiliza con los mismos. Usted no deberá: copiar o modificar el Software; compilar de forma inversa, desensamblar o ensamblar de forma inversa el Software total o parcialmente, o aplicarle técnicas de ingeniería inversa; alquilar, arrendar, licenciar, sublicenciar, distribuir, transmitir o vender el Software; o crear trabajos derivados del mismo. Con respecto al Software ajeno a TOSHIBA (como se especifica en el Anexo A), TOSHIBA en modo alguno le otorga a usted derechos de licencia del Software ajeno a TOSHIBA a menos que TOSHIBA le conceda a usted la licencia de manera independiente. Usted deberá, bajo su propia responsabilidad, obtener derechos de licencia del licenciataria de dicho Software ajeno a TOSHIBA.

## 2. Propiedad.

Todo derecho de propiedad sobre el Software, y cualquier derecho de propiedad intelectual sobre el mismo, incluidos, entre otros, patente, marca comercial, patente de diseño, derecho de autor, conocimientos técnicos y secreto comercial, así como la aplicación de todos estos (“Derecho de propiedad intelectual”), corresponderá a TOSHIBA, sus filiales o sus licenciataria.

## 3. Ausencia de soporte.

TOSHIBA podrá actualizar el Software a su exclusiva discreción y sin previo aviso, pero TOSHIBA no estará obligada a proporcionar soporte ni actualizaciones ni a impartir formación respecto de aquel.

## 4. Ausencia de garantía.

USTED RECONOCE QUE EL SOFTWARE SE ENTREGA “TAL CUAL” SIN NINGUNA GARANTÍA O MANIFESTACIÓN EN VIRTUD DEL PRESENTE DOCUMENTO. TOSHIBA, SU FILIAL, SU PROVEEDOR O SU LICENCIATARIO NO RESPONDERÁN DE RESPONSABILIDADES (LO QUE INCLUYE DAÑOS O RESPONSABILIDADES DIRECTOS O INDIRECTOS, ESPECIALES, EMERGENTES O ACCIDENTALES COMO LA PÉRDIDA DE INGRESOS O BENEFICIOS Y LA PÉRDIDA DE DATOS) DERIVADAS DEL SOFTWARE, INCLUSO SI SE HA ADVERTIDO A TOSHIBA DE LA POSIBILIDAD DE QUE SOBREVENGAN TALES DAÑOS O RESPONSABILIDADES. TOSHIBA OFRECE TODO EL SOFTWARE DE TOSHIBA Y AJENO A TOSHIBA “TAL CUAL” Y SIN APORTAR GARANTÍA DE NINGÚN TIPO.

EN LA MEDIDA MÁXIMA EN QUE LA LEGISLACIÓN APLICABLE LO PERMITA, TOSHIBA, SU FILIAL, SU PROVEEDOR O SU LICENCIATARIO RENUNCIAN A TODA GARANTÍA EN RELACIÓN CON EL SOFTWARE, YA SEA EXPRESA, IMPLÍCITA O LEGAL, LO QUE INCLUYE, ENTRE OTROS, LA GARANTÍA DE NO INFRACCIÓN DE DERECHOS DE TERCEROS, Y LAS GARANTÍAS IMPLÍCITAS DE COMERCIABILIDAD E IDONEIDAD PARA UN FIN PARTICULAR. USTED ASUME LA TOTALIDAD DEL RIESGO RESPECTO DE LA CALIDAD Y EL RENDIMIENTO DEL SOFTWARE. NI TOSHIBA, NI SUS FILIALES, NI SUS PROVEEDORES NI SUS LICENCIATARIOS GARANTIZAN QUE LAS FUNCIONES QUE CONTIENE EL SOFTWARE VAYAN A CUMPLIR LOS REQUISITOS DE USTED O QUE EL FUNCIONAMIENTO DEL SOFTWARE VAYA A SER ININTERRUMPIDO Y ESTAR LIBRE DE ERRORES. NINGUNA OTRA INFORMACIÓN O CONSEJO VERBAL O ESCRITO DADO POR TOSHIBA O UN REPRESENTANTE AUTORIZADO DE

TOSHIBA CREARÁ UNA GARANTÍA O AMPLIARÁ EN MODO ALGUNO EL ALCANCE DE ESTA GARANTÍA. ALGUNAS JURISDICCIONES NO PERMITEN LA EXCLUSIÓN DE GARANTÍAS IMPLÍCITAS, POR LO QUE ES POSIBLE QUE EN SU CASO LA EXCLUSIÓN ANTERIOR NO LE CONCIERNA.

5. Indemnización.

Usted acepta exonerar a TOSHIBA de cualesquiera responsabilidades, daños y perjuicios, reclamaciones, gastos (incluidos honorarios razonables de abogados) estén vinculados con el uso que usted haga del Software, cualquier violación real o supuesta del presente Acuerdo por su parte o cualquier otro asunto relacionado con el Software –lo que incluye, entre otros, la utilización de cualquier licencia de terceros–, o se deriven de lo anterior.

6. LIMITACIÓN DE RESPONSABILIDAD.

LA RESPONSABILIDAD TOTAL DE TOSHIBA, SUS FILIALES, SUS PROVEEDORES O SUS LICENCIATARIOS Y SU ÚNICA Y EXCLUSIVA SOLUCIÓN AL AMPARO DEL PRESENTE ACUERDO SE LIMITARÁN AL IMPORTE REAL QUE USTED HAYA PAGADO POR SEPARADO POR EL SOFTWARE O 10 USD, CUALQUIERA QUE SEA LA CANTIDAD MÁS PEQUEÑA. ALGUNOS ESTADOS/JURISDICCIONES NO PERMITEN LA EXCLUSIÓN DE GARANTÍAS IMPLÍCITAS O LIMITACIONES SOBRE CUÁNTO PUEDE DURAR UNA GARANTÍA IMPLÍCITA, O LA EXCLUSIÓN O LA LIMITACIÓN DE DAÑOS ACCIDENTALES O EMERGENTES, POR LO QUE TALES LIMITACIONES O EXCLUSIONES TAL VEZ NO LE CONCIERNAN A USTED. ESTA GARANTÍA LIMITADA LE OTORGA A USTED DERECHOS ESPECÍFICOS, Y A USTED TAMBIÉN PUEDEN ASISTIRLE OTROS DERECHOS QUE VARÍAN ENTRE ESTADOS O JURISDICCIONES.

7. Uso no previsto.

EL SOFTWARE NO ESTÁ CONCEBIDO NI GARANTIZADO PARA SU USO CON EQUIPOS O SISTEMAS QUE REQUIERAN NIVELES EXTRAORDINARIAMENTE ELEVADOS DE CALIDAD O FIABILIDAD CUYA AVERÍA O FALLO PUDIERA OCASIONAR PÉRDIDA DE VIDAS HUMANAS, LESIONES, GRAVES DESPERFECTOS DE BIENES O UN GRAVE IMPACTO PÚBLICO (“USO NO PREVISTO”). El uso no previsto incluye, entre otros, equipos utilizados en instalaciones nucleares; equipos utilizados en el sector aeroespacial; equipos médicos; equipos utilizados en automóviles, trenes, buques y otros medios de transporte; equipos de señalización del tráfico; equipos utilizados para controlar combustiones o explosiones, dispositivos de seguridad, ascensores y escaleras mecánicas, dispositivos relacionados con energía eléctrica, y equipos utilizados en campos relacionados con las finanzas. SI UTILIZA EL SOFTWARE PARA UN USO NO PREVISTO, TOSHIBA NO ASUME NINGUNA RESPONSABILIDAD POR EL SOFTWARE.

8. Control de exportaciones.

En relación con el Software, usted deberá cumplir con la totalidad de legislación y normativas aplicables en materia de control de exportaciones, incluidas, entre otras, las Export Administration Regulations (normativas de la Administración de exportaciones) de los EE. UU. Sin perjuicio de lo anteriormente mencionado, usted no deberá exportar el Software, si procede con arreglo a la legislaciones y normativas antedichas, sin autorización de las autoridades gubernamentales correspondientes, ni deberá utilizar el Software con fin alguno para desarrollar o fabricar misiles o armas nucleares, químicas o biológicas.

9. Ausencia de cesión.

Ni el presente Acuerdo ni ninguna de las obligaciones o responsabilidades de cualquiera de las partes del mismo podrán ser cedidos, transferidos o transmitidos por alguna de las partes o por usted a parte alguna, por ministerio de la ley o por cualquier otro modo, excepto con el consentimiento previo por escrito de TOSHIBA.

10. Rescisión.

TOSHIBA podrá rescindir el presente Acuerdo de inmediato, una vez que TOSHIBA haya cursado la notificación pertinente, en caso de que usted quebrante cualquier disposición del mismo. Tras la rescisión, las licencias que se le hayan concedido vencerán y usted deberá cesar en cualquier uso del Software.

11. Generalidades.

El presente Acuerdo constituye el acuerdo completo entre TOSHIBA y usted en relación con el objeto del mismo y reemplaza a todas las comunicaciones orales o escritas anteriores entre las partes. El presente Acuerdo se regirá por la legislación de Japón, sin incluir sus disposiciones sobre conflicto de leyes. Si cualquier disposición del presente Acuerdo debiera considerarse inválida, ilegal o inaplicable, la validez, la legalidad y la aplicabilidad de las restantes disposiciones del mismo no se verán afectadas o perjudicadas en modo alguno. Toda condonación del quebrantamiento de cualquier disposición del presente Acuerdo no constituirá una condonación de cualesquiera quebrantamientos anteriores, simultáneos o posteriores de la misma o de cualquier otra disposición del mismo; además, las condonaciones no serán efectivas a menos que se hagan por escrito y cuenten con la firma de cualquier representante autorizado de la parte que renuncia. En la medida en que los términos de cualquier programa o política de Toshiba para los servicios de soporte entren en conflicto con los términos del presente Acuerdo, prevalecerán estos últimos.

#### 1. Definitions

The terms "reproduce," "reproduction," "derivative works," and "distribution" have the same meaning here as under U.S. copyright law.

A "contribution" is the original software, or any additions or changes to the software.

A "contributor" is any person that distributes its contribution under this license.

"Licensed patents" are a contributor's patent claims that read directly on its contribution.

#### 2. Grant of Rights

(A) Copyright Grant- Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free copyright license to reproduce its contribution, prepare derivative works of its contribution, and distribute its contribution or any derivative works that you create.

(B) Patent Grant- Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free license under its licensed patents to make, have made, use, sell, offer for sale, import, and/or otherwise dispose of its contribution in the software or derivative works of the contribution in the software.

#### 3. Conditions and Limitations

(A) No Trademark License- This license does not grant you rights to use any contributors' name, logo, or trademarks.

(B) If you bring a patent claim against any contributor over patents that you claim are infringed by the software, your patent license from such contributor to the software ends automatically.

(C) If you distribute any portion of the software, you must retain all copyright, patent, trademark, and attribution notices that are present in the software.

(D) If you distribute any portion of the software in source code form, you may do so only under this license by including a complete copy of this license with your distribution. If you distribute any portion of the software in compiled or object code form, you may only do so under a license that complies with this license.

(E) The software is licensed "as-is." You bear the risk of using it. The contributors give no express warranties, guarantees or conditions. You may have additional consumer rights under your local laws which this license cannot change. To the extent permitted under your local laws, the contributors exclude the implied warranties of merchantability, fitness for a particular purpose and non-infringement.

#### **TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION**

##### **1. Definitions.**

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You must give any other recipients of the Work or Derivative Works a copy of this License; and

You must cause any modified files to carry prominent notices stating that You changed the files; and

You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or

claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
